

Bellevue East Boys and Girls Basketball 13th Annual Golf Tournament

Dear Local Business,

The boys and girls basketball programs of Bellevue East HS are hosting their annual golf tournament to raise funds for upcoming summer basketball opportunities. The funds raised will minimize the financial burden put on the families of our players. Both programs will participate in Summer Leagues and Team Camps this summer with the hopes of continuing to build successful programs that represent Bellevue East and the Bellevue Community in a positive way! These opportunities are crucial to our programs development and growth.

Hole sponsorships for our tournament cost \$100 (made payable to Beast Hoops). In return you will receive an advertising sign on the tee box of one of the holes, a list of all sponsors will go out to each player, and your business will be mentioned at our reception that follows the golf. We will also promote your business on social media (Facebook & Twitter) leading up to the tourney! Thank you for your continued support.

If a hole sponsorship is not possible, we would also appreciate any items you could contribute for our Raffle the day of the tournament. Gift cards, merchandise, etc. are all items we would appreciate!

Thank you for your time and consideration.
